- Generate reports from the transportation route planning software for analysis.
- Conduct on-going analysis of vehicle routing; recommend and implement route modifications, alterations, and deletions to meet service requirements and improve efficiency of operations.
- Maintain familiarity with policies and legislation applicable to student transportation, including the Accessibility for Ontarians with Disabilities Act (AODA).
- Respond to requests via email and phone calls from school vehicle operators, schools and parents/guardians.
- Investigate and report on school vehicle accidents and incidents.
- Perform other duties as assigned.

#### **Communications**

- Respond professionally to inquiries from parents/guardians, school staff and school vehicle operators.
- Initiate and facilitate school communications and/or meetings between school staff and school vehicle operators as required.
- Liaise with and monitor school vehicle operators for adherence to route plans and SCSTC policies and procedures.
- Liaise with staff at Member District School Boards.

- Assist with the development and implementation of transportation policies and procedures, contracts, surveys and reports.
- Attend meetings with outside agencies representing the SCSTC as required.
- Assist in the development, provisions and implementation of student safety materials and programs as required.
- Perform other duties as assigned.

#### **EDUCATION, EXPERIENCE, SKILLS AND ABILITIES**

- A post-secondary degree or diploma preferably in one or a combination of the following disciplines: Business, Economics, Urban Planning, GIS, Geography and/or Communications or minimum of two (2) years' related work experience.
- Thorough knowledge of standard software applications including Microsoft Office.
- Proven ability to manage and prioritize multiple projects.
- Ability to work under pressure in a fast paced environment.
- Ability to work independently and to work flexible hours.
- Self-confident, self-starter and able to work with minimal supervision.
- Excellent communication (verbal & written), presentation and customer service skills.
- Must have valid Ontario Driver's License, clean driving abstract and access to a reliable vehicle for occasional business needs.
- Experience in business uses of social media communications is an asset.
- GIS mapping and/or routing experience is an asset.
- Fluency in oral and written French is an asset.

As a condition of employment, the successful candidate will be required to submit an acceptable "Criminal Background Check" and "Vulnerable Persons Search". The successful candidate will be required to conduct daily business in keeping with privacy legislation and related confidentiality policies.
