

MEDIA RELEASE

October 14, 2016 – Barrie, ON: The Simcoe County Student Transportation Consortium (SCSTC) is reminding everyone that **School Bus Safety Week** is from October 17 to 21, 2016. As such, the SCSTC asks all drivers to be extra cautious in the vicinity of school buses and in school bus loading and unloading zones.

During School Bus Safety Week, in partnership with our School Bus Operators, the SCSTC will be offering **School Bus Evacuation Training** to all home-to-school transported students.

This training educates students on how to evacuate a school bus safely in an emergency situation.

At this time last year, **more than 25,000 students** in Simcoe County participated in this training.

Please note:

- Wednesday, October 19, 2016 is School Bus Driver Appreciation Day in the province of Ontario. This is a great opportunity for the school community to thank the bus drivers for all their hard work, as well as for transporting students to and from school safely.
