Simcoe County Student Transportation Consortium Back to School: School Bus Reminder

FOR IMMEDIATE RELEASE: August 29, 2016 – Barrie, ON:

As students return to school this September the SCSTC would like to remind all drivers that school buses will be back in full service effective **Tuesday, September 6, 2016**.

In Simcoe County, SCSTC contracted school buses are scheduled to transport over 34,000 students to school every day.

As a reminder to drivers:

Take Caution – There will be an increased number of school buses on the roads as students return for a new school year. The SCSTC reminds all drivers to be extra cautious in the vicinity of school buses and around school bus loading and unloading zones.

Pay Attention – Watch for school buses' distinctive chrome yellow colouring, flashing red lights and stop arms. Drivers travelling in both directions on a road without a median must stop for a stopped school bus that has its upper red lights flashing.

Know the Repercussions – Any driver that fails to stop for a school bus with its lights engaged is subject to a fine of up to \$2,000 and six demerit points for a first time offence.

Be Empowered – Anyone who witnesses a driver failing to stop for a school bus can report the incident to the police.
