

Policy TE02 Documentation

Section: Temporary Transportation Eligibility Exceptions due to Safety Considerations	Page 1 of 1
Type: Eligibility	Date (Revised): October 2, 2014

Rationale	The Simcoe County Student Transportation Consortium (SCSTC) policy for Temporary Transportation Eligibility due to Safety Considerations provides the guidelines used to determine temporary home to school student transportation eligibility exceptions where safety considerations that affect the safe walk path to school exist.
Policy	It is the policy of the SCSTC to consider temporary alterations to a schools walk zone due to safety considerations that affect the safe walk path to school.
Overview	<p>When considering temporary alterations to a schools walk zone due to safety considerations that affect the safe walk path to school, the SCSTC will consider the following factors as they relate to student safety:</p> <ul style="list-style-type: none"> ▪ Volume of traffic ▪ Posted speed limits ▪ Number of lanes of traffic ▪ Signalized intersections or crossings ▪ Physical barriers ▪ Safe walk paths
