Section: Transportation Service Parameters	1 of 2
Type: General	Date (Revised): October 3, 2013

Rationale	The Simcoe County Student Transportation Consortium (SCSTC) policy for Transportation Service Parameters identifies the service parameters used to provide safe, equitable and efficient student transportation.
Policy	It is the policy of the SCSTC to follow the Consortium’s member district school boards policies and procedures to determine the service parameters used to provide safe, equitable and efficient student transportation.
Overview	<p>The following service parameters are used by the SCSTC to provide safe, equitable and efficient student transportation, unless exceptional conditions dictate otherwise:</p> <ul style="list-style-type: none"> • Distance Calculations • Pick-up and Drop-off Locations and Times • Duration of Bus Trip • School Vehicle Transfers • Combination of Routes • Maximum Number of Students Transported on a Bus • Bus Stop Locations • Central Pick-up Points • School Arrival and Departure Windows • Transportation Eligibility due to Hazards
