WILL YOUR CHILD BE RIDING THE BUS FOR THE FIRST TIME?

Check out our NEW virtual online program which provides parents and students with information about school bus safety rules and responsibilities!

The SCSTC is pleased to welcome students and families virtually to learn about riding on a school bus for the first time.

The SCSTC invites parents/guardians and their children to virtually visit the SCSTC YouTube page **SCSTC\_SchoolBus** to access videos focused on educating parents/guardians and students on the rules and responsibilities of riding and waiting for the school bus.

Topics covered in the videos include:

1. Parent video

- school bus facts;
- safety programs offered to students;
- parent/guardian responsibilities.

2. Student video

- safe loading and unloading procedures;
- safety rules on and around the school bus;
- responsibilities of riding the school bus.

Both videos are suitable for all family viewing.
